

Instructions for completing the Scholarship Application

We are accepting applications for Kansas Rainbow Scholarships. Those interested in applying for a scholarship must complete an application and turn it in by the deadline to be eligible for consideration. Only those received by the deadline will be considered. Applications are available from Anita Allard or from your Mother Advisor.

Any active Rainbow Girl pursuing post-high school education, either a technical program or college, is eligible and encouraged to apply. In addition, active Majority Members who are members of the Grand Cross of Color are eligible to apply for the Grand Cross of Color Scholarship. If the number of applications received exceed the funds available, preference will be given to those who have completed at least one year of post-high school education.

Please be sure to complete the entire application. We want your full name, date of birth (month, day and year), complete address, phone number and name of home assembly. If you are a Majority Member, give the year you received your majority. If you are a Member of the Grand Cross of Color, give the year you received this honor.

Give the name and graduation date (month and year) of your high school.

If you were a graduating senior in the 2007-2008 school year, we need your high school GPA and a copy of your high school transcript. Be sure to request a copy of your transcript before your school office closes for the summer. No applications will be accepted without a transcript.

If you were enrolled in a technical program or college in the 2007-2008 school year, we need your cumulative college GPA and a copy of your college transcript. Be sure to request a copy of your transcript before your school office closes for the summer. No applications will be accepted without a transcript.

Mark the year you most recently completed (Freshman, Sophomore, Junior, Senior).

Give your major field of study and describe your major or intended major. Be sure your answer is 50-100 words.
